Moscow & Italy Streets**

AGENDA

- ▶ Call to Order
- ▶ President's Report
- ▶ Treasury Report (Postponed)
- ▶ Ingleside Police Report

▶ **FEATURED SPEAKERS:**

**Marc Snyder & Greg Polchow for Anne Brubaker, Chairman -
San Francisco Coalition to Underground Utilities**

Presentation regarding undergrounding, which will improve the beauty and enjoyment of our neighborhood and city for residents and visitors. Improve our environment by providing many more opportunities for desirable street trees and it will decrease the potential danger for downed wires resulting from accidents, storms, or earthquakes.

Patrick Colum, The Campaign for Regional Measure 3

On the ballot in June - It covers the Bay Area's nine counties. If passed - will allocate funding for traffic easement through transit and road improvement. Each county receives approval for specific projects. Designed to connect BART and commuter rail services, so we can travel around the bay by rail; increase ferry service; and improve connections between buses, trains, and bikes so we can get to work, school, home more quickly.

Jeanne Caruso, Director of the Support at Home Program

Presentation regarding a new San Francisco pilot program **Support at Home** that provides financial assistance to adults 18 and over making up to 100% Area Median Income (\$80,700 for 1 person household) to afford home care and stay in the community.
